Professional Experience

Alternative Media Formats Technician

November 2016 - Present

Accessible Education & Disability Resources (AEDR), *Portland Community College*, Portland, OR

- Facilitate accessible technology training (face-to-face and remote) for students/faculty and staff, serving as a lead for casual peer Assistive Technology (AT) trainers.
- Develop online training and technical support materials for students, faculty, and staff.
- Evaluate and adapt digital course materials to meet accessibility standards.
- Monitor equipment maintenance and inventory and respond to technical support requests.

Instructional Designer/eLearning Developer

August 2022 - December 2022

Learning Design and Technology (LTD) Department, *University of Colorado, Denver*, Denver, CO

- Designed an online graduate course on Humanized Design using the ADDIE model and Quality Matters (QM) rubric.
- Evaluated all course materials for WCAG compliance.

Modern Greek Language and Culture Instructor

April 2001- June 2015

World Languages and Literatures (WLL) Department, *Portland State University*, Portland, OR

- Designed, developed, and taught face-to-face and hybrid language and culture courses, utilizing adult learning theory and Universal Design for Learning (UDL).
- Revised course design and materials using Kirkpatrick's evaluation model and QM rubric.
- Utilized D2L Learning Management System (LMS) and Social Networking platform for asynchronous access to course materials, activities, assignments, participation in discussions, and evaluation of students' performance.
- Collaborated with the departmental technology committee to curate resources and facilitated training on computer applications for foreign language teaching and second language acquisition.
